

Enclosure	Bird(s)	Species	FEEDING INSTRUCTIONS
Z4	Abby	AFEA	Walk up SLOWLY and toss food through food hatch. Watch for undesirable behaviors.
E1	Athena	SAFA	Tell her to perch, bridge, then toss food through food hatch.
E5	Atticus	GHOW	Toss food through food hatch.
E15	Avia	SAFA	Should be on a perch. Bridge "good" and toss food through food hatch.
D5	Bart	EEOW	Tell him to perch, open door, and toss food on the ground in the middle of his enclosure. He may puff his feathers and hiss, but should stay on a perch.
E4	Bell	AMKE	Tell her to perch if she is clinging to chain link, bridge, and toss food through food hatch.
D28	Ben/Tiara	GCCR	** Staff only. Both birds should shift into room for cleaning and water change. Then shift both birds out of the room to place food in bowls inside room and pick up leftovers.
E17	Bindi	LAKO	** Staff only. Bridge and reinforce through food hatch when sitting calmly on any perch. If she is on the ground, ask Bindi to "Perch" and reinforce through food hatch.
E6	Cisco	RTHA	Should be on a perch, toss food through food hatch.
D9	Cleo/Maybel	GRHO	** Trained staff only. Go inside and toss food to each bird.
E22	Cody	HAHA	Toss food through food hatch. Let staff know if he flies at chain link.
D27	Cricket	MIKI	Place food on platform in enclosure. If giving superworms, place in bowl on platform.
D8	Cy/Gerry	BAEA	Crack door and toss food into two separate piles. Alert staff if you see undesirable behaviors (flying around, fighting over food, etc).
E7	Dahlia	BADO	Open food hatch with food in hand, say "perch" if she isn't already perched. Once she's on the perch, toss food through hatch.
E3	DC	BWHA	Place food on platform in enclosure.
E30	Dumbledore	GHOW	Open food hatch, say "perch" he should fly to farther perch. Once on the perch, bridge and toss food through hatch.
E28	Gilbert	GHOW	Crack door and toss food onto platform or on the ground in the middle of the enclosure.
C2	Hagen	RSHA	Slide food hatch door open, toss food onto platform.
D16	Igor	BLVU	Toss food through chain link at front of enclosure.
Z5	Inca	LYHV	Toss food through food hatch or chain link.
E9	Lakota	RSHA	Open food hatch, say "perch" if she isn't already perched. Once she is on the perch, toss food through hatch.
D15	Matiilda	ANCO	** Staff only. Toss food through food hatch on shift room.
D4	Monty	Lafa	If perched, open door and place food on perch. If he is on the ground, crack door, and toss food on ground.
E18	Mya	SAFA	Crack door and toss food on the platform or ground. Scan for leftovers and pick up if needed.
E16	Nebari	BLVU	Ask Nebari to "Perch". He can be on perch closest to the front of the enclosure. Bridge and reinforce by putting food through food hatch.
D22	Pippin	HOVU	** Staff only. Toss food through chain link.
D14	Pishi	KIVU	Toss food through chain link at front of enclosure.
D17	Poco/Gori/Oak	TUVU's and RTHA	** Staff only. Poco must be roomed. Once roomed feed Gori on the stump, his station. Feed Oak by placing food on highest perches.
E12	Russell	RTHA	Crack door open and toss food on ground. Scan for leftovers, pick up if needed.
D21	Sadie	TUVU	** Staff only. Shift Sadie into room and feed through wooden slats on door.
E10	Sadiq	Lafa	Toss food through food hatch.
D3	Sebastian	RLSE	Toss food through chain link at front of enclosure.
D20B	Sequoia	GOEA	** Staff only. She should be perched, if not, say perch. Once on a perch throw food in through food hatch. DO NOT stick hands into enclosure.
E14	Sonora	HAHA	Toss food through chain link on door. Alert staff if you see leftovers.
C6	Surrey	BNOW	Toss food quickly through the food hatch.
Z6	Theodore	BAEA	If he is in his inner room, toss food through chain link on the outside. If he is outside, toss food through the chain link on the inside.
E8	Ulula	BDOW	Send to back perch, bridge "good" and toss food through hatch.
D2	Watson	AMKE	** Staff only. Crack door and toss food on ground.

Reminders: If using a food hatch, do not stick your hand/arm inside. Just open the hatch and toss the food in.

Bridge = saying "good"

Highlighted birds are staff feed only
