Igniting a Passion for Raptors and Our Shared Natural world

The Carolina Raptor Center has been a Charlotte institution for decades. Our world-class Raptor Hospital has seen more than 26,000 admissions since its founding in 1981. Our rehabilitation staff is recognized internationally for its excellence and establishment of best practices adapted by other facilities around the world.

Each year more than 30,000 visitors explore the Raptor Trail to see and learn about our avian ambassadors and environmental conservation. Our education team extends this reach by performing programs to over 10,000 students.

Raptor Rendezvous

As a sponsor of Raptor Rendezvous, you will be an integral partner as the Carolina Raptor Center expands its mission and impact. Come for an unforgettable evening celebrating raptors and our successes; stay to share in the impact our education and conservation endeavors will have on the Charlotte region and its communities for years to come.
